☑ **模仿朗读**　4 分 · 1 题

朗读短文

Do you know encyclopaedias? They contain knowledge about everything. These thick books have thousands of topics, from animals to space. Although they look heavy, they're easy to use with clear indexes. A good encyclopaedia has over 20 volumes with colourful pictures. Many schools keep encyclopaedias in their libraries. You can find facts about dinosaurs, oceans, or even robots in them!

听选信息1

2 分 · 2 题

How many books does Lily read every month? (One book. / Two books. / Three books.)

Two books. | She reads two books. | Lily reads two books every month. | She reads two books every month. | Lily reads two books.

回答问题

4 分 · 4 题

What did Dom want at the age of ten?

A new bike. | He wanted a new bike. | Dom wanted a new bike at the age of ten. | Dom wanted a new bike. | He wanted a new bike at the age of ten.

▼ 听力原文

Dom Pecora started fixing bikes at the age of ten. Back then, he wanted a new bike. But it was expensive. His mother let him work for it. So he decided to fix bikes to make money. Dom taught himself by watching videos and became good at it. He made enough money in just six weeks. But he didn't stop there. Now, Dom runs his own bike shop. His dream is to give away at least 100 bikes per year.

How did Dom teach himself?

By watching videos. | He taught himself by watching videos. | Dom taught himself by watching videos. | He watched videos to teach himself. | Dom watched videos to teach himself.

▶ 听力原文

Did Dom make enough money in six months?

No, he didn't. | No, he didn't do it in six months. | No, he made enough money in six weeks. | No, he didn't make enough money in six months. | No, Dom didn't.

▶ 听力原文

What is Dom's dream?

To give away at least 100 bikes per year. | His dream is to give away at least 100 bikes per year. | Dom's dream is to give away at least 100 bikes per year. | To give away at least 100 bikes a year. | His dream is to give away at least 100 bikes a year.

短文复述

8 分 · 1 题

短文复述

复述要点：

1. Giant pandas are the national treasure of China. They have black fur on their ears, arms, legs and around their eyes. The rest is white.
2. They are members of the bear family.
3. They live in the rainy mountains of southwest China.
4. They are known for some special abilities.
5. They can climb trees.
6. And they are good swimmers.

参考原文：

Hello, we are giant pandas, the national treasure of China. We have black fur on our ears, arms, legs and around our eyes. The rest is white. We are members of the bear family. We live in the rainy mountains of southwest China, and we usually live alone. We are known for some special abilities. For example, we can climb trees. And we are also very good swimmers. We usually eat bamboo.

提问

3 分 · 2 题

你想知道世界上有多少只野生熊猫，你问Nini：

- How many wild pandas are there in the world?
- What's the number of wild pandas in the world?
- What's the population of wild pandas in the world?
- How many wild pandas are left in the world?
- What is the population of wild pandas in the world?

你想知道大熊猫吃除了竹子外的食物吗，你问Nini：

- Do pandas eat anything besides bamboo?
- Do giant pandas eat anything besides bamboo?
- Do pandas eat other food besides bamboo?
- Do pandas eat anything other than bamboo?
- Do pandas eat foods other than bamboo?
